Cabin Guests:

Thank you for choosing to stay at Edgar Evins State Park. Upon your arrival you will encounter two possible inconveniences. First, you will notice that there is no "C" building in the cabin complex due to a fire in late 2006. Please pardon our mess and noise as this unit is being rebuilt. Work will be going on during the weekdays with no work to be done on weekends. The target completion date is late November 2008.

Second, the Corps of Engineers is projecting low lake levels for Center Hill Lake for the summer. The park launch ramps may be hazardous or inaccessible. Please accept my apology for any inconveniences this may place upon you and your visit to Edgar Evins. Your business is greatly appreciated. If you have questions, you may e-mail me directly at Carl.Halfacre@state.tn.us, or call the Park Office at 800-250-8619. Please enjoy your visit.

Sincerely,

Carl Halfacre, Park Manager
